

**Rattle Snake Avoidance Clinic at Prado Dog Park, Chino, CA
Sunday, April 25, 2021 at 8:00 a.m. put on by SoCal NAVHDA**

Rattlesnakes are a big problem here in California for dog owners.

Here are two of the ways that your dog can be bitten by a rattle snake:

- 1. Hunting dogs with their high prey instinct will attack a rattle snake attracted by the movement, the sound or the smell of a snake.**
- 2: A dog running at full speed during hunting/or playing in open space can step on or run by a rattle snake and get bitten.**

To avoid this from happening:

- 1. Train your dog to avoid a rattle snake with Rattle Snake Avoidance Clinic Training.**

The SoCal Chapter of the North American Hunting Dog Association is offering a Rattle Snake Avoidance Clinic at Prado Recreation Dog Park in Chino on Sunday 25, 2021 starting at 08:00 a.m. at the Guido Dei NAVHDA Pond area. <http://www.prado-recreation.com/>

The cost for the clinic is \$60 per dog (pay on PayPal). There is a \$15.00 entry fee to the park (cash only at the gate). Members and, as a public service, non-members are welcome to sign up for this clinic. Your dog does not have to be a hunting dog to benefit from this training. Any dog exposed to open space where there could be snakes present will benefit. Pay by PayPal on our website at socalnavhda.org. You will receive a confirmation email with an estimated run time for your dog.

For questions regarding the clinic contact Rodge Fradella (909) 399-5810.
